About us: Red, Red Wine is the second label of Cliff Creek Cellars and Sams Valley Vineyard which are located in the Rogue Valley of Southern Oregon. We planted our first vines in 1999 and now have approximately 70 acres in vineyard. Our vineyard lies with a southwestern exposure at 1400 ft. elevation. One of the unique attributes of our soil is a strain of Crater Lake volcanic ash running through the entire vineyard. Soil is the heart of the vineyard and we think this adds to the unique quality of our wines. This is our answer to great wine at a great value. A wine for everyday!
