

2009 Cliff Creek Cellars Syrah

Tasting Notes:

This full bodied wine opens with delicate forest notes, a hint of mushrooms and nutrient rich soil. Bold, dark bramble berries, toasted marshmallow, tobacco and baking spices throughout the palate. Ending with a smooth light finish of caramel tones.

About us:

Cliff Creek Cellars and Sam's Valley Vineyard are located in the Rogue Valley of Southern Oregon. We planted our first vines in 1999 and now have approximately 70 acres in vineyard. Our vineyard lies with a southwestern exposure at 1400 ft. elevation. One of the unique attributes of our soil is a strain of Crater Lake volcanic ash running through the entire vineyard. Soil is the heart of the vineyard and we think this adds to the unique quality of our wines.
