

## 2011 Red Red Wine

---

### **Winemaker: Joe Dobbe**

#### **About us:**

Red, Red Wine is a second label produced by Cliff Creek Cellars, estate grown at Sams Valley Vineyard, in the Upper Rogue Valley of Southern Oregon. We planted our first vines in 2000 and now have approximately 70 acres planted. The vineyard lies with southwestern exposure at 1400 ft. elevation. One of the unique attributes of our soil is a strain of Crater Lake volcanic ash running through the entire vineyard. Soil is the heart of the vineyard and we think this adds to the unique quality of our wines.

Part of what makes Red Red Wine particularly special to the Cliff Creek Family, is that 5% of proceeds from this wine are contributed to cancer research. Red Red Wine truly is a quality table red meant to enjoy any night of the week.

#### **Tasting Notes:**

A bright nose of cranberry and cherries gives way to vanilla and strawberries on the mid palate. This wine finishes with balanced tannins and mouthwatering fruit, perfect for pairing with your favorite dish.
