

2015 Red Red Wine

The Red Red Wine Project

Tasting Notes

The nose leads you in with a aroma that reminds me of a bright cherry pie made form Door County, Wisconsin fruit. Then a waft of vanilla crumb on top, it is so inviting. A smooth texture hits your mouth and is rounded out by fresh notes of mint and rosemary. The mid palate shows off blueberry and milk chocolate. The finish is full of plum and black cherry. There are also a hint of allspice.

Vineyard Notes

This was taken from an Applegate Vineyard called Fly High. It is a cooler location then our vineyard and the vines are 5-7 years old. It is an certified organic vineyard. The fruit ripened nicely and came off with a good balance.

Winemaker Herb Quady and Brian Gruber
